

# Reception's visit to Woodside Farm Spring 2006

# What can we found on the farm..?

# The search soon reveals some furry and feathered friends...

I know its in there...

Camera shy.....

# Talking to the chickens...

# Tickling the nose of the donkey...

..nice and easy.

Everyone gets a go...

The tractor trip begins..

Off we go...

It beats walking...

# The classroom

- The children had the opportunity to learn about a wide variety of animals.

# Including an owl and a rat...

...and even an Igunana.

Less of the exotic and back to the  
cuddly..

....rabbits.

Back to say goodbye to some of the friends that we had made..

ahhh

# Special moments...
